Spellings (ten per week). Set on a Friday for Friday assessment.

This is the whole school weekly homework grid showing children and their families what is expected. Homework is set to consolidate what children have learned in class. Homework set is due in the next day and will be marked and feedback given.

Spellings learned in school are not set as homework, except for Year 6 but are posted on the class page each week for information and can be practised at home. Every child also has a NumberGym log in which they can access at home to practise times tables.
