Dear Parents/Carers,

School Updates

We have had a fantastic couple of weeks in school and the children have been amazing. There is a real buzz around school again which is lovely to hear. Thank you for getting back into the swing of bringing children into school every day and on time, this means we can catch up even quicker on any lost learning as a result of lockdown.

Next Friday we will be having an Easter egg hunt on the field with eggs provided by our PTA, these will be sent home with the children on Friday. We would usually celebrate Easter with egg decorating or Easter bonnet competitions. However with COVID we need to do things a little different. Therefore, to continue Easter celebrations children will be provided with a hardboiled egg which they will decorate in school during a fun filled Easter crafts afternoon on the last day of term.

We have started to celebrate our assemblies out on the playground now the weather is improving. This means the children get to see the rest of the school which we hope helps them to feel part of our wider community once again.

Please see below a link to a very short Google form for parents of pupils in Derwent, Foss and Humber. After Easter we are planning on running enrichment clubs after school for all our children in Year 1 upwards. We would very much appreciate your thoughts on this. Please can I ask as many parents as possible to complete this form to help us in deciding if this enrichment will benefit the children here at Camblesforth. <https://forms.gle/zmQLquwh6sPidbw86>

Although it has been a great two weeks, unfortunately we have once again received concerns about parking and reports of thoughtless driving at the front of school. If you do need to bring children to school in the car, please would you not park on the zig zags or outside the gates to access school. Please keep driveways clear and be extra careful when driving along the main road to and from school.

As always thank you for your continued support.

Dave Card

Mr Card

Head of School
