School Updates

Message from Mr Card

We have made it to the end of another half-term. Despite the dreadful weather and ongoing restrictions all has been well in school. Children have continued to work hard, play hard and are trying to remain resilient when things get tough. You should all be very proud. We are all now ready for a well-earned break before the final weeks of this academic year. Thank you to pupils, parents, and staff for all you are doing to make #TeamCamblesforth a pleasure to belong to. Happy Holiday! We look forward to seeing you on Monday 7th June.

Changes for KS1 and EYFS

From Monday 7th June KS1 and EYFS will become one bubble, this is to support the transition process and movement of staff between Derwent and Nidd. Children in Reception will join the KS1 children for lunch times and have the opportunity to spend an additional afternoon at forest schools with just year 1 children. This is to ensure a smooth transition for our younger children ready for September 2021. Our school's current risk assessment will be amended in light of these changes and if you have any questions please speak to a member of the team.

Half term COVID cases

If your child has a confirmed case of COVID upto 31st May please notify school immediately by emailing admin.cam@ebor.academy, so we can then notify the relevant families should they need to isolate for 10 days. For any confirmed cases after this date we ask that you still inform school although we would not need to notify other families to isolate after this time.

Drop off and pick up

Can I continue to give a reminder to all parents to drive slowly around the entrance of school and not park on the yellow hatchings. Please continue to be mindful of local residents when parking on the street and if you have any concerns please inform the school rather than taking matters into your own hands.
